Your gate clicker is canceled and your room key will be recoded and waiting at the management office with the new clicker. The old ones will no longer work. you'll need to let Sara know that she'll need to go to the front office to have her key recoded when she comes back.

7660 5	Instant Messages			7/2/2015 12:48:07 PM(UTC-5)	From: [REDACTED]	I don't want to be annoying I just want to make sure you're the best that you can be right now!!! I keep thinking about you and seriously if you need anything or you want company (besides [REDACTED] just pleaseeee tell me and I will be there ASAP. I love you and I just want to help so I'm sorry if I'm being really pushy or annoying I just know if the roles were reversed I would probably want to be alone but if you do want me to come by or get anything for you or help you at all please please please tell me, I will do anything for you. I love you so much and you mean a lot to me and I hate that this happened and I don't think I can really offer you much of anything but if there's anything, whether it's like picking up food or needing somewhere to hangout or you just want me to sit in a room with you and not talk, please tell me.
